

REmplir l'espace vide (E)

iserez l'espace vide avec des nombres que les corbeaux ont mangés, si vous avez raison, il y a un corbeau qui a mangé tous les chiffres.

$$\underline{ } \times 9 = 108$$

$$10 \times \underline{ } = \underline{ }$$

$$3 \times \underline{ } = 18$$

$$2 \times \underline{ } = 24$$

$$\underline{ } \times 5 = 35$$

$$\underline{ } \times 10 = 100$$

$$4 \times \underline{ } = 28$$

$$10 \times \underline{ } = \underline{ }$$

$$\underline{ } \times 5 = 55$$

$$8 \times \underline{ } = 80$$

$$\underline{ } \times 10 = 40$$

$$7 \times \underline{ } = \underline{ }$$

$$9 \times \underline{ } = \underline{ }$$

$$\underline{ } \times 2 = 4$$

$$10 \times \underline{ } = 30$$

$$\underline{ } \times 4 = 24$$

$$\underline{ } \times 4 = 24$$

$$10 \times \underline{ } = 70$$

$$8 \times \underline{ } = 56$$

$$6 \times \underline{ } = \underline{ }$$

$$11 \times \underline{ } = 77$$

$$\underline{ } \times 6 = 12$$

$$7 \times \underline{ } = 21$$

$$11 \times \underline{ } = 88$$

$$6 \times 11 = \underline{ }$$

$$\underline{ } \times 3 = 18$$

$$9 \times \underline{ } = 90$$

$$\underline{ } \times 9 = 27$$

$$\underline{ } \times 8 = 16$$

$$8 \times \underline{ } = 16$$

$$11 \times \underline{ } = 121$$

$$2 \times \underline{ } = 12$$

$$10 \times \underline{ } = \underline{ }$$

$$2 \times 6 = \underline{ }$$

$$11 \times 9 = \underline{ }$$

$$10 \times 2 = \underline{ }$$

$$12 \times \underline{ } = 72$$

$$9 \times \underline{ } = 45$$

$$10 \times \underline{ } = 110$$

$$\underline{ } \times 2 = 10$$

$$7 \times \underline{ } = 14$$

$$5 \times 8 = \underline{ }$$

$$12 \times \underline{ } = 108$$

$$\underline{ } \times 8 = 80$$

$$8 \times \underline{ } = 56$$

$$11 \times 2 = \underline{ }$$

$$10 \times 7 = \underline{ }$$

$$\underline{ } \times 10 = 60$$

$$\underline{ } \times 11 = 22$$

$$5 \times 9 = \underline{ }$$
