

Comparaison de Nombres (H)

Utilisez les symboles $<$, $>$, et $=$ pour comparer les nombres ci-dessous.

$473.527 \quad \square \quad 4.738$

$750.104 \quad \square \quad 750.424$

$551.691 \quad \square \quad 552.054$

$246.795 \quad \square \quad 245.932$

$881.037 \quad \square \quad 881.828$

$115.414 \quad \square \quad 114.904$

$973.834 \quad \square \quad 972.914$

$331.339 \quad \square \quad 331.603$

$934.806 \quad \square \quad 934.849$

$434.740 \quad \square \quad 434.373$

$391.828 \quad \square \quad 391.491$

$353.085 \quad \square \quad 35.345$

$771.683 \quad \square \quad 772.176$

$782.023 \quad \square \quad 782.688$

$720.582 \quad \square \quad 72.009$

$830.609 \quad \square \quad 830.593$

$448.947 \quad \square \quad 449.757$

$268.233 \quad \square \quad 26.916$

$892.163 \quad \square \quad 892.792$

$340.432 \quad \square \quad 340.122$

$551.929 \quad \square \quad 551.823$

$512.679 \quad \square \quad 512.892$

$319.208 \quad \square \quad 31.999$

$614.314 \quad \square \quad 613.593$

$800.129 \quad \square \quad 800.103$

$388.333 \quad \square \quad 388.559$

$805.876 \quad \square \quad 806.391$

$799.155 \quad \square \quad 800.139$

$828.004 \quad \square \quad 827.018$

$18.707 \quad \square \quad 187.272$

$738.746 \quad \square \quad 738.045$

$115.321 \quad \square \quad 116.186$

$426.933 \quad \square \quad 426.649$

$561.325 \quad \square \quad 561.043$

$534.655 \quad \square \quad 533.691$

$848.638 \quad \square \quad 848.906$

$910.345 \quad \square \quad 90.941$

$514.045 \quad \square \quad 514.379$

$297.928 \quad \square \quad 297.001$

$214.896 \quad \square \quad 215.178$
