

Addition de Nombres sur une Droite Graduée (J)

Utilisez la droite graduée pour calculer chaque somme.

1. $20 + 70 = \underline{\hspace{2cm}}$

2. $120 + 30 = \underline{\hspace{2cm}}$

3. $70 + 10 = \underline{\hspace{2cm}}$

4. $110 + 40 = \underline{\hspace{2cm}}$

5. $130 + 20 = \underline{\hspace{2cm}}$
