

# Regroupement en Blocs de Base Dix (B)

Nom: \_\_\_\_\_

Date: \_\_\_\_\_

Quel est le nombre indiqué dans chaque bloc de base dix?

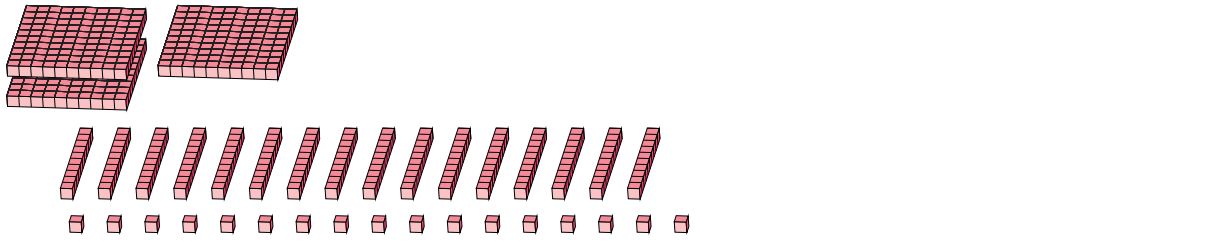

1.

The diagram shows base ten blocks representing the number 234. At the top left, there are two hundred blocks (each a 10x10 grid). Below them are three ten rods (each a 10x1 grid) and four one units (each a 1x1 grid). Below the blocks are three empty boxes for the hundreds place, three empty boxes for the tens place, and four empty boxes for the ones place. An arrow labeled "regrouper" points to the right, where there are three empty boxes for the hundreds place, three empty boxes for the tens place, and four empty boxes for the ones place.
