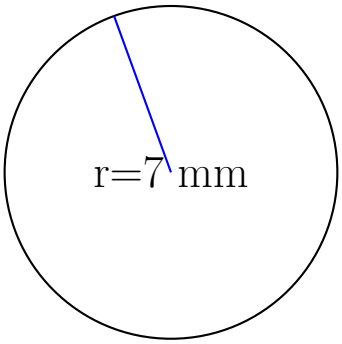
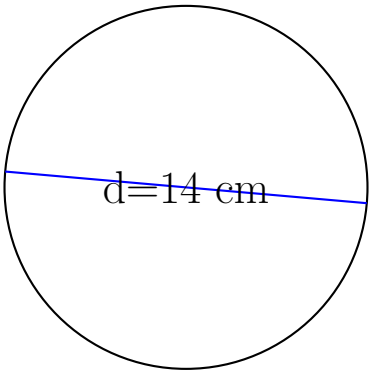
Calcul de l'Aire et Circonférence (B)

Calculez les mesures de chaque cercles à l'aide de la mesure donnée. Utlisez pi = 3.14



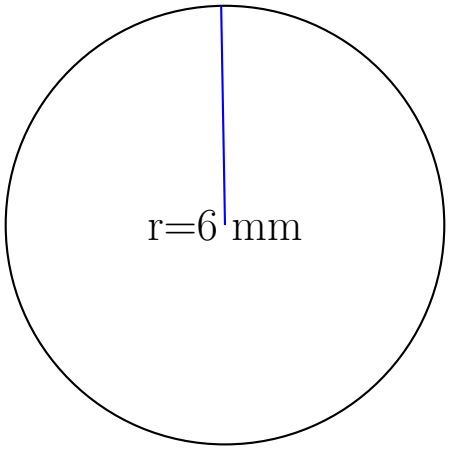
circonférence = _____

aire = _____



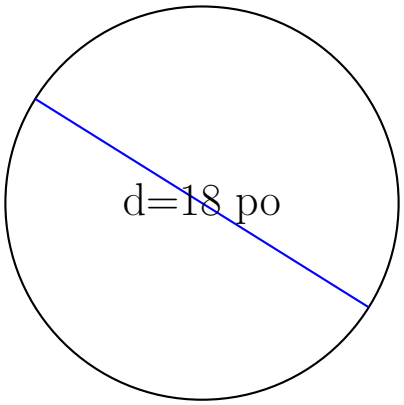
circonférence = _____

aire = _____



circonférence = _____

aire = _____

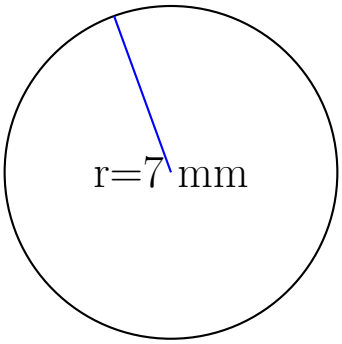


circonférence = _____

aire = _____

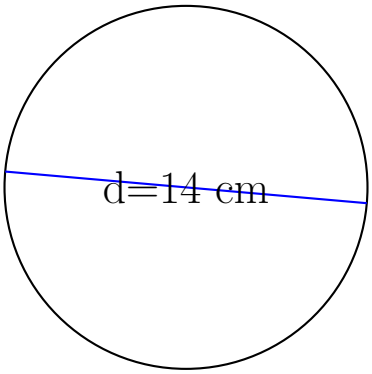
Calcul de l'Aire et Circonférence (B) Solutions

Calculez les mesures de chaque cercles à l'aide de la mesure donnée. Utlisez pi = 3.14



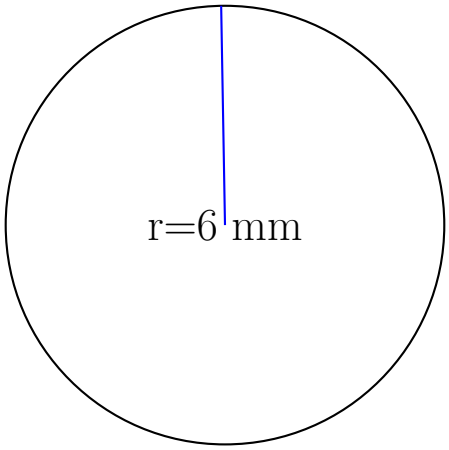
circonférence = 43.96 mm

aire = 153.86 mm^2



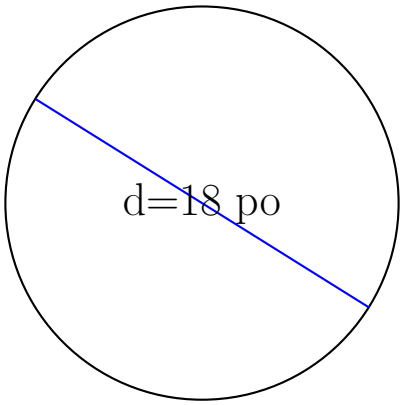
circonférence = 43.96 cm

aire = 153.86 cm^2



circonférence = 37.68 mm

aire = 113.04 mm^2



circonférence = 56.52 po

aire = 254.34 po^2
