

La Multiplication par Jalousies (C)

Utilisez la multiplication par jalousies pour calculer chaque produit.

$223 \times 2043 = \underline{\hspace{2cm}}$

$761 \times 6302 = \underline{\hspace{2cm}}$

$678 \times 7413 = \underline{\hspace{2cm}}$

$154 \times 1167 = \underline{\hspace{2cm}}$

$946 \times 3033 = \underline{\hspace{2cm}}$

$371 \times 7061 = \underline{\hspace{2cm}}$

$829 \times 1665 = \underline{\hspace{2cm}}$

$658 \times 2590 = \underline{\hspace{2cm}}$

$817 \times 5115 = \underline{\hspace{2cm}}$

La Multiplication par Jalousies (C) Solutions

Utilisez la multiplication par jalousies pour calculer chaque produit.
