

# Pourcentage d'Augmentation/Diminution (F)

Nom: \_\_\_\_\_

Date: \_\_\_\_\_

Calculez le pourcentage d'augmentation ou de diminution.

|     | Valeur de départ |   | Valeur d'arrivée | Augmentation/<br>Diminution | Variation en pourcentage |
|-----|------------------|---|------------------|-----------------------------|--------------------------|
| 1.  | 500              | → | 530              | ↑ ↓                         |                          |
| 2.  | 900              | → | 999              | ↑ ↓                         |                          |
| 3.  | 370              | → | 296              | ↑ ↓                         |                          |
| 4.  | 600              | → | 516              | ↑ ↓                         |                          |
| 5.  | 180              | → | 162              | ↑ ↓                         |                          |
| 6.  | 700              | → | 833              | ↑ ↓                         |                          |
| 7.  | 975              | → | 1014             | ↑ ↓                         |                          |
| 8.  | 600              | → | 642              | ↑ ↓                         |                          |
| 9.  | 840              | → | 798              | ↑ ↓                         |                          |
| 10. | 800              | → | 696              | ↑ ↓                         |                          |
