

# Pourcentage d'Augmentation/Diminution (F)

Nom: \_\_\_\_\_

Date: \_\_\_\_\_

Calculez le pourcentage d'augmentation ou de diminution.

|     | Valeur de départ |   | Valeur d'arrivée | Augmentation/<br>Diminution   | Variation en pourcentage |
|-----|------------------|---|------------------|---|--------------------------|
| 1.  | 4.2              | → | 6.3              |       |                          |
| 2.  | 7.88             | → | 1.97             |       |                          |
| 3.  | 2.88             | → | 3.6              |       |                          |
| 4.  | 9.84             | → | 7.38             |     |                          |
| 5.  | 9.64             | → | 12.05            |   |                          |
| 6.  | 9.52             | → | 14.28            |   |                          |
| 7.  | 5.64             | → | 1.41             |   |                          |
| 8.  | 4                | → | 1                |   |                          |
| 9.  | 2                | → | 1.5              |   |                          |
| 10. | 8.36             | → | 10.45            |   |                          |

# Pourcentage d'Augmentation/Diminution (F) Réponses
