

# Opérations sur Une Droite Graduée (A)

Utilisez la droite graduée pour calculer chaque somme ou différence.

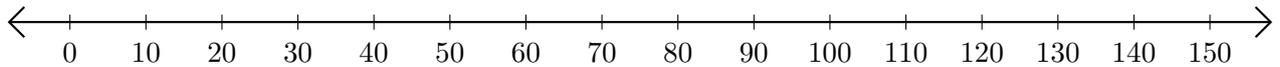

1.  $130 + 20 = \underline{\hspace{2cm}}$

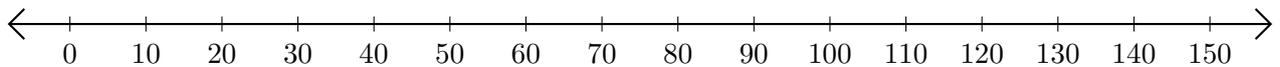

2.  $90 - 60 = \underline{\hspace{2cm}}$

3.  $40 + 90 = \underline{\hspace{2cm}}$

4.  $100 - 50 = \underline{\hspace{2cm}}$

5.  $110 + 30 = \underline{\hspace{2cm}}$
