

Opérations sur Une Droite Graduée (G)

Utilisez la droite graduée pour calculer chaque somme ou différence.

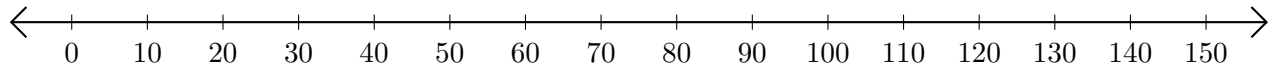

1. $100 + 40 = \underline{\hspace{2cm}}$

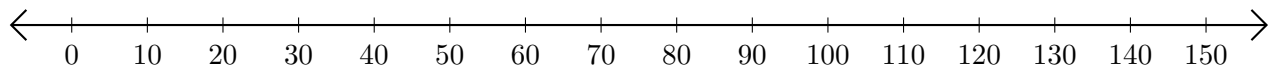

2. $140 - 10 = \underline{\hspace{2cm}}$

3. $30 + 100 = \underline{\hspace{2cm}}$

4. $70 - 50 = \underline{\hspace{2cm}}$

5. $130 - 80 = \underline{\hspace{2cm}}$
